ABOUT

We know the floral industry and how its products apply to the retail floral shops,floral designers, crafters and do-it-yourself floral supply users!

Over 40 years ago, we started out as a division of a large, national floral supply Rep / Distribution Company serving the six Rocky Mountain States. From that strong business base, in 1990 - at the very dawn of the internet as a business marketing tool - we chose the name Floralsupply.Com and began out internet marketing operation. The rest is History. We are now one of the largest wholesale distributors of floral-related supplies on the entire internet, with several strategically-located distribution points across the Country.

We offer a full line of floral supplies. We offer the highest quality floral containers, floral foam and other floral related items from the finest suppliers in the floral industry. We sell our products nation-wide to all 50 states via our website www.floralsupply.com and over the phone at 800-827-7366. We welcome you to check out our products and if you have any questions, please email or give us a call directly for the quickest answers about floral supplies.

Our Thirty-Five Plus years in the floral business has provided us with the experience needed to anticipate the market and have what you need. We are constantly on the lookout for new, exciting products and product trends. We represent many of the finest and largest makers and importers in the industry. We also "Partner" with many other types of Floral-related organizations which support the Retail Florist Exclusively. IF you need it, we can probably tell you how and where you can obtain it.

Assemble the advent wreath floral supplies and components with your favorite greens and flowers, and you have the prettiest Christmas Advent wreath you could imagine.

Home with Spring Floral Arrangements

Bringing in Spring

Spring is a beautiful time when nature comes back to life after being frozen in the winter. However, outside shouldn't be the only place that's decorated. Let your home come back to life with these unique floral arrangements.

Living Vase

Use a galvanized bucket as a vase and cover it with fresh-cut Fresh pussy willows. This gives the vase a "living" appearance. Use rubber bands to secure the willows to the vase.

Eggs and Carnations

Using dyed eggs and carnations can make a playful spring centerpiece. Yellow is an ideal color to dye the eggs. Place them in the center of a medium sized bowl and pack the carnation blooms around them.

Three Popular Reasons for Giving Flowers

A Beautiful Gift

Flowers are timeless; you'll be able to find movies, shows, even books where one person gives another flowers as a gift. Though some may find it cliché to give flowers, you can always find a reason to give flowers.

Romance

Every girl loves receiving flowers that are as beautiful as her. It could be given for a special occasion, such as her birthday or for Valentine's Day, but can also be given on a regular day to let her you're thinking of her.

Appreciation

Flowers make an exceptional gift to let anyone know that you fully appreciate them. For example, you can purchase a bouquet for your mom on mother's day or as a thank you present for a friend.

Get Well Soon

For a loved one who's sick, or even in the hospital, flowers can instantly make them smile. It also helps to brighten up the room so they feel a little better whenever they look at it. FloralSupply.com and give someone a flowery gift.

Essential Supplies Needed for Container Gardening

Starting an Indoor Garden

People have undertaken indoor gardening either for its aesthetic value or the ability to grow plants during the winter. Container gardening is a very popular indoor gardening technique. Before you begin growing your plants, here are a few supplies that are necessary:

Potting Soil

Potting soil contains a mixture of different organic matter that provides nutrients to the plant as it begins growing.
